

Redfish Base Visits Children @ Oschsner Hospital in Jefferson Parish Louisiana.

The Redfish Base's Kap(SS) 4 Kid(SS) Team brought comfort and joy to Children at Oschsner Hospital in Jefferson Parish, Louisiana. The visit was conducted on November 12, 2013, during USSVI's Kap(SS) 4 Kid(SS) Week. K4K Co-Chairs Enola & Martin Stokes, along with Base Commander Elvin Shaw, Louis LeBlanc and Kathy & Mike Waters, visited Children in the hospital's pediatric ward.

The hospital staff appreciated the caring attention the Sub Vets gave to their patients. One of the teenage patients shared that he would like to join the Navy. An 8 year old patient made a wonderful work of art that said "Thank You" and showed a Submarine in the ocean with men and women Submariners topside! She then presented it to the Sub Vets!
